Carriage Paid Value - NORTHERN IRELAND/IRELAND

Notification of price increase from 1st August 2026

Over recent months, we have experienced a continued increase in transport costs which, unfortunately, we are no longer able to absorb as a business.

These increases have been driven primarily by rising costs on UK to NI/IE trade routes, including higher fuel surcharges and the introduction of the Energy Trading Scheme (ETS) within the maritime sector. ss. The following products will therefore incur a price increase on all orders with effect from 1st July 2026.

As a result, **the carriage paid value will increase from £650.00 to £800.00**, effective 1st August 2026. Orders under £800.00 are subject to a carriage charge and require a price on application.

We appreciate your understanding and continued support as we adapt to these unavoidable cost pressures while maintaining the level of service you expect from us.

Should you have any questions, please do not hesitate to contact us.

Yours Sincerely

Chris Whitney
Office Manager
